bringing real happiness to the virtual skies

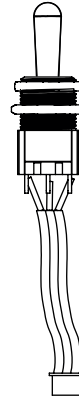

www.virpil.com

Parts Included

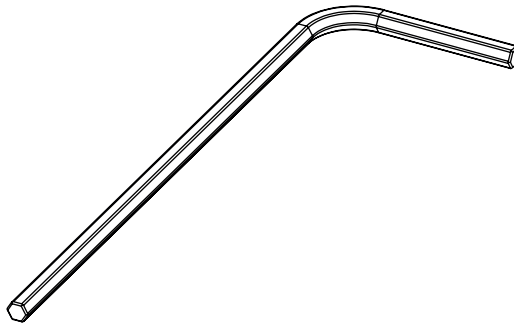

2-way Toggle (ON - ON)

3-way Toggle (ON - OFF - ON)

Tools Required

2.5mm Hex Key

Important Information

- Ensure the device is unplugged from the PC when installing/replacing the toggle switch.
- Do not overtighten the screws on the VPC MongoosT-50CM Grip Handles as the plastic housing can be damaged.
- Ensure you are using the correct size tools.
- Review the instructions carefully. If you have any doubts, please contact **support@virpil.com**
